Project Gutenberg is one of the largest sources for free books on the web, with over 30,000 downloadable free books available in a wide variety of formats. Project Gutenberg is the oldest (and quite possibly the largest) library on the web, with literally hundreds of thousands free books available for download. The vast majority of books at Project Gutenberg are released in English, but there are other languages available.

Graph Paper Journal For The

Unlike some school graph paper pads, the scale of the graph does not vary from front to back on the pages. The graph lines are in a faint gray. The paper weight is nice and decent - very little bleeding through. A sharpie or marker would probably bleed through, but other types if ink do not. Altogether, a nice little journal.

The Northbooks graph paper journal is minimalist and stylish. The focus here is very much on quality. The thick yet smooth paper with the option of graph, ruled, plain or dot design is a pleasure to write on. The journal is soft-cover but it isn't flimsy and is pretty durable for a softcover notebook.
