I recently bought my first motorcycle, a '78 CB400 w/21,000 miles. According to the Honda owner's manual, oil changes are every 600 miles, with alternating filter changes. Since I'm new to this, what oil would be a good choice for this motorcycle? Tentatively, I'm thinking this bike will ...

'78 Honda CB400: What oil? - Bob Is The Oil Guy

The Honda CB400 Super Four is a motorcycle produced by Honda at the Kumamoto plant from 1992 to the present. The CB400 embodies the typical Universal Japanese Motorcycle produced through the 1970s, updated with modern technology. To this end, the bike has a naked retro design, paired with a smooth inline-four engine.

Honda CB400SF - Wikipedia

May I ask two questions? I am going to buy a new Honda CB400 Revo 2016 model. Base on the owner's manual. I read that the bike requires SAE 10W30 engine oil. So must I follow the manual's specification or I can just use the more commonly 10W40? And also I would like to ask about the run in period. Like how many KMs for first oil change?
