Without grammar you can say little, without lexis you can say nothing. Vocabulary, chunks, patterns, phrases, collocations, words, words with grammar – whatever you want to call it, lexis is the true building blocks of language.

Lexical Lab | Helping students learn better

Introduction Hugh Dellar's work typifies all that's wrong with current teacher training: poor scholarship, lack of attention to how people learn languages, and a general reliance on the unexamined assumption that explicit instruction is the biggest part of a teacher's job.
