### OUT OF YOUR MIND | meaning in the Cambridge English Dictionary

Out of your mind: awakening is an escape from illusory sensory experience into being fully present, absent-minded. Myths are images: beliefs of what the world is supposed to be like, and according to logic. In genesis, we are made to believe were artifacts, made by the world, and can make the world in different ways.

The book "Out of my mind" by Sharon M. Draper has changed my view of how people view others. This book is the story of a girl who was born unable to speak, walk, write, or anything on her own. Ever since the day she's been born she's always been helped by someone,never able to do something on her, not even talk.

'Out of Your Mind' is a great idea, but the levels progressed far too quickly for the game to be fun. By the second 'Week,' I was having to replay a level multiple times to progress. There is no option for 'casual' gameplay or skipping a customer, and the timer never seemed to give me enough seconds.
