2018-02 ...

Our basic purpose in bringing together these executives was to find out if better leadership could have made a difference in preventing the financial meltdown that led to the recent global economic crisis. We found out that good leadership could have and certainly did make a difference, especially with respect to risk management.

The Role of Leadership in Managing Risk

Kyle's areas of focus include retirement planning, risk management, asset placement, investment management, and rollover review services (401ks, 403b, VIP, and more). He is experienced in Roth and traditional IRAs, generating sustainable income, long-term care insurance, and annuities.

Barton Malow Looks to Change the Business of Construction ...

Members of a nonprofit board may fear the risk of insulting a CEO by suggesting the topic as an agenda item. Some CEOs may feel disinclined to raise the subject because it could send mixed signals about their intent to remain with the nonprofit. Yet CEO succession planning is a critical risk management issue for every nonprofit board.

(PDF) Strategic Operations Management | Radhitya Wirawan ...

There are two basic types of competitive advantage: cost leadership and differentiation. This book describes how a firm can gain a cost advantage or how it can differentiate itself. It describes how the choice of competitive scope, or the range of a firm's activities, can play a powerful role in determining competitive advantage.
